The game number on the brackets is the last digit in the game number in the chart

(e.g., TCC1 is game 1 in the bracket)

The number to the left of the team name is the randomly drawn seeding, NOT the game number.

Home team is always decided by a coin toss.

Since all games must produce a winner, there can be no ties.

Game start times could be delayed if prior games go into extra innings caused by ties.

Tournament rules differ. They can be found at [www.ppba.info](http://www.ppba.info).

Championship game times and fields could move but not usually the day.

Rainout Hotline: (888) 473-6864. If there is no message, your game is on.

Please volunteer to help maintain the fields. Use link on the PPBA home page: [www.ppba.info](http://www.ppba.info).

For your safety and that of the players, please do not walk through the fields; use asphalt paths.
