The game number on the brackets is the last digit in the game number in the chart

(e.g., TCE1 is game1 in the bracket)

The number to the left of the team name is the randomly drawn seeding, NOT the game number.

Home team is always decided by a coin toss.

Since all games must produce a winner, there can be no ties.

Game start times could be delayed if prior games go into extra innings caused by ties.

Tournament rules differ. They can be found at [www.ppba.info](http://www.ppba.info).

Championship game times and fields could move but not usually the day.

Rainout Hotline: (888) 473-6864. If there is no message, your game is on.

Please volunteer to help maintain the fields. Use link on the PPBA home page: [www.ppba.info](http://www.ppba.info).

For your safety and that of the players, please do not walk through the fields; use asphalt paths.
